01 Smansa Media Center

2020

My role in the SMANSA Media Center is to create publications about national days by designing instagram post.

INSTAGRAM FEEDS

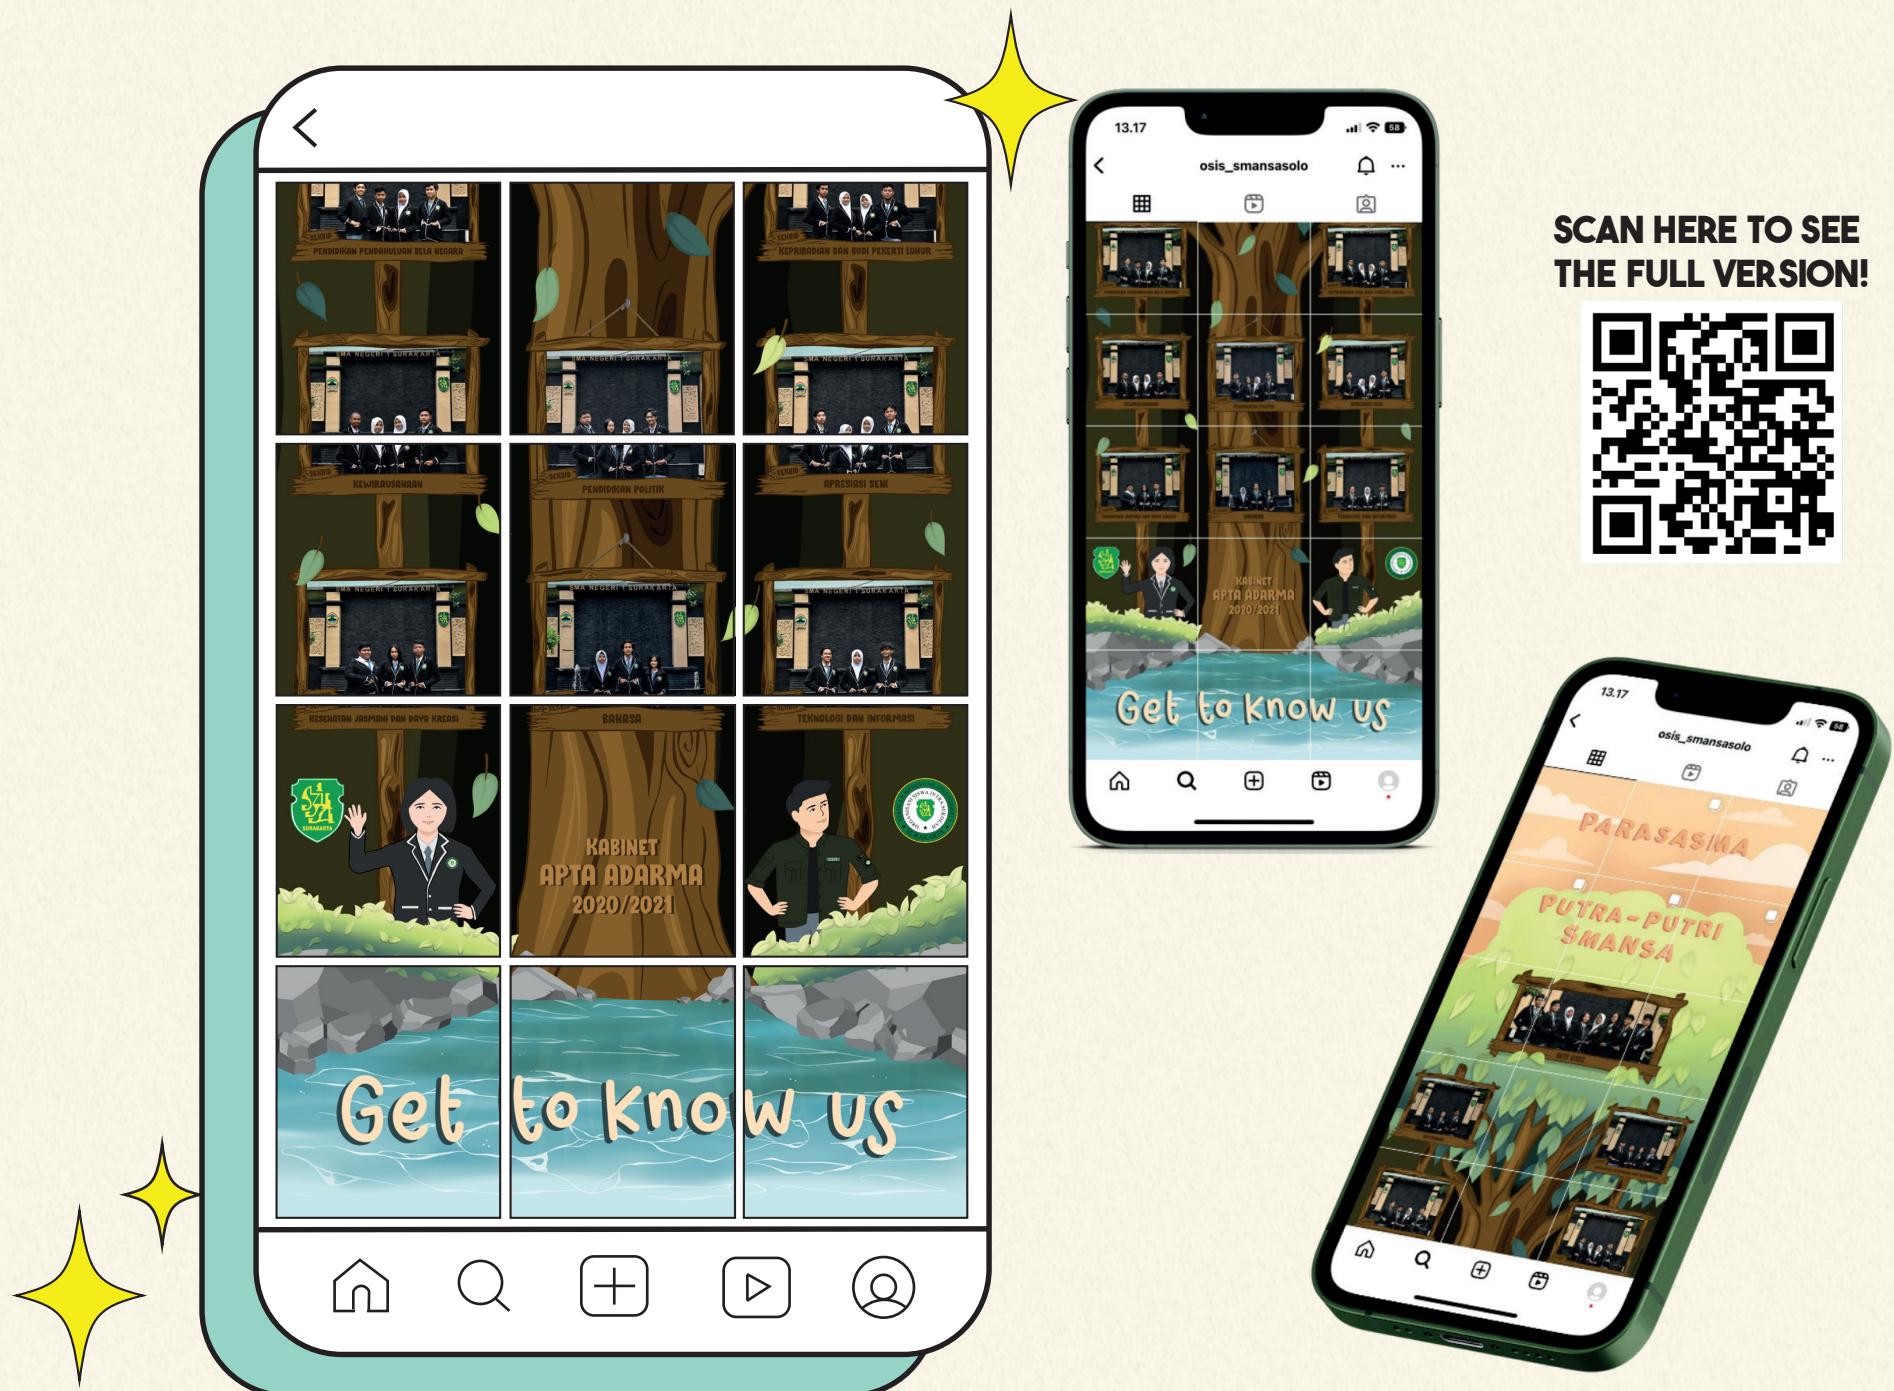

O2 Student Council

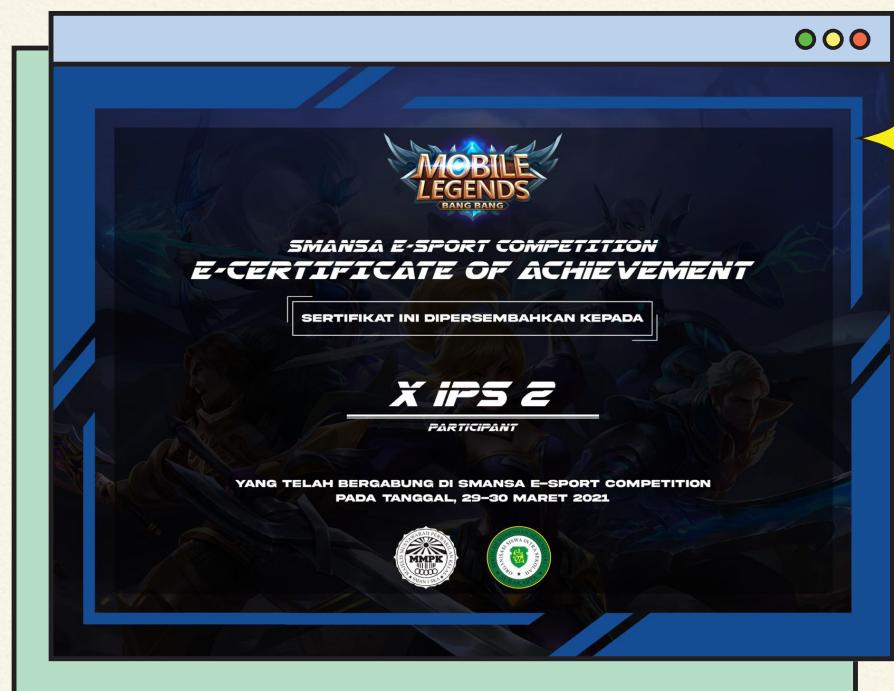

2020 - 2021

As a student council member, I was assigned to Techonology and Information Division, which was responsible for creating instagram feeds, poster, certificates, and twibbon for each student council's events.

2020/2021 CABINET INTRODUCTION

EVENT CERTIFICATES

O3 Putra Putri Smansa

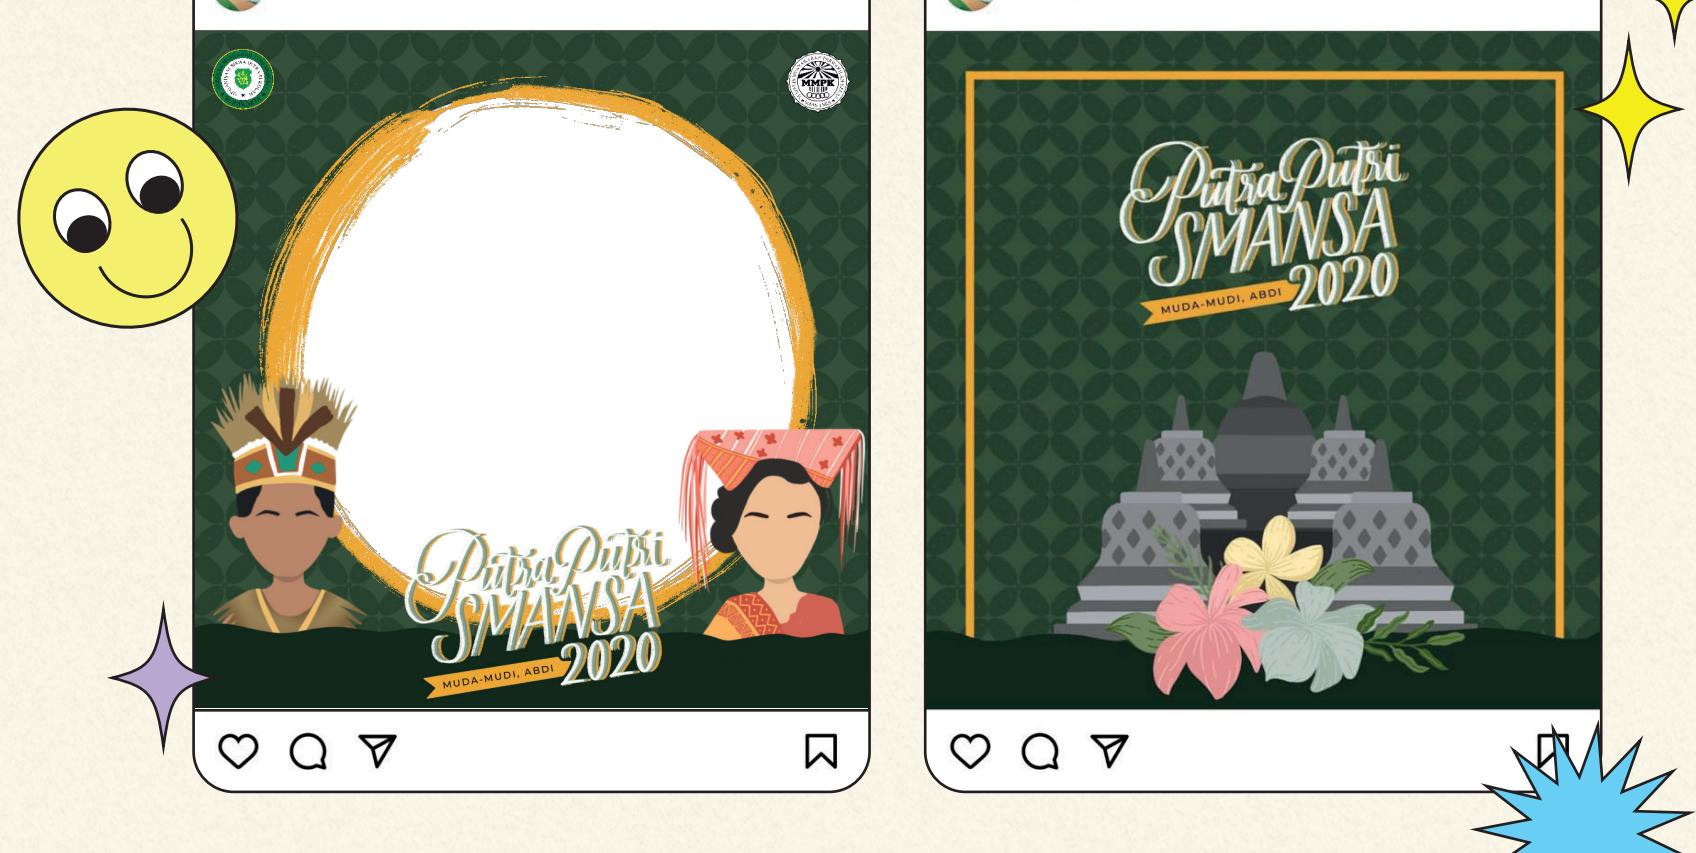

2020

Putra Putri SMANSA is an annual school event for the selection of student representatives. As a member of the Information Technology division, I was tasked with designing posters and social media publicity materials such as twibbon and announcements of the event's winners.
